Megalog of Luxury

Art and Creation goes Private

Many major brands such as BMW enter a market to please high net worth individuals and corporations for whatever the style and taste. From interior gyms, (left), big screen theater, master kitchens, (bottom left), master suites, (bottom right), dining/lounge suites to suit whatever necessary.

Versace, Lufthansa Technik, Edese Doret are also stepping in on the private jet interior market to offer glimpse of fashion, automobile and furniture design.
